SENTENCING Adj to
Nov 8, 2023
At 3:15 p.m.

USA V. Luigi Hierro-Belen 1:21-cr-00161-CM-1

Judge McMahon,

This matter is on for sentencing on September 26th, 2023. I am still suffering from a medical issue which has prevented me from properly preparing for sentencing. I have an additional medical appointment on October 16th, 2023 as well as a cat scan and an mri this month. I request that the sentencing be adjourned to mid November at which point I am confident that we will be able to proceed.

Defendant is incarcerated and will be sentenced to prison as he has a five year mandatory minimum. I contacted the prosecutor A.U.S.A. Colson and she does not object to my request. I have advised my client through his family and there are no objections.

I apologize for the timing of this request, I had hoped to be able to proceed but cannot.

Regards,
Jon M. Silveri, Esquire
